Re: 2018 TIP Amendment Request

Darrell,

On behalf of Ottawa County Parks and Recreation, the Ottawa County Road Commission requests an amendment to the 2018 Cottonwood Drive & 10th Avenue Non-Motorized Pathway project. In working with MDOT, it was determined that project should be split into two phases, so the right-of-way acquisitions for the northerly end can be completed.

Original Project

Cottonwood Drive & 10 th Avenue Non-Motorized Path	1.99 miles
Job No. 200821	
Estimated Cost	\$985,917
TAP Grant	\$591,550

Proposed Spilt

Phase I

Cottonwood Drive and 10 th Avenue to Golfside Drive	0.98 miles
Estimated Cost	\$552,572
TAP Grant	\$331,543

Phase 2

10 th Avenue to Taylor Street to 12 th Avenue	1.01 miles
Estimated Cost	\$433,345
TAP Grant	\$206,007

Both phases are anticipated to be obligated and completed in 2018. Please let me know if you have any questions or require any additional information.

Sincerely,

Brett A. Laughlin, P.E.
Managing Director
